ABOUT ME

Experienced Customer Experience Associate with a strong track record of resolving complex issues and fostering positive customer relationships. Skilled in communication, problem-solving, and empathy, consistently exceeding performance targets. Passionate about continuous learning, building websites from scratch, and creating automation projects to improve processes. Eager to bring my expertise and enthusiasm to a dynamic customer-focused team.

EXPERIENCE

2024 Jan - NOW

Cognizant

Technical Solution Specialist (Acting SME- Internal promotion)

- I am working for google client project - GCARE & GTECH
- **Google Ads & Analytics Tracking:** Implemented conversion tracking via Google Tag Manager (GTM) and manual coding (Gtag method), configured Google Analytics (GA4) for event tracking and custom reports.
- **Custom Coding & GTM Setup:** Wrote custom HTML tags for tracking AJAX form submissions and purchase events, and implemented iframe post-message listeners to address tracking limitations.
- **Data Discrepancy Troubleshooting:** Identified and resolved tracking issues to ensure accurate data reporting.
- **Training & Knowledge Sharing:** Conducted training sessions for agents on best practices and troubleshooting.
- **Quality Assurance & CSAT Management:** Maintained zero DSATs/escalations and consistently achieved high CSAT scores.
- Developed solutions for complex tracking issues, including **iframe** and **AJAX forms**.
- **New Process Integration:**
 - **Cost Data Import**
 - **Offline Conversion Tracking**
 - **Consent Mode (Verification)**
 - **Enhanced Conversion Tracking**
 - **Customer Match**
- Implementing the **Google Tag Gate Way** for clients to reduce the conversion drop. We have found that using this method, the clients using the "Godady CMS" can overcome all the limitations of conversion tracking, which would get us more clients.
- Performed case analysis for the escalation cases and provided the corrective solution.

June 2020 - Sept 2020

ZoomRX

Business Analyst Associate

- **Data Collection & Analysis:** Gathered and analyzed data from US-based representatives on the sales and effectiveness of medical drugs, providing insights into market trends and drug performance.
- **Data Visualization & Reporting Tools:** Utilized various data visualization tools (Excel, Tableau, etc.) to present complex data in an easy-to-understand format for stakeholders and clients.
- **Client Reporting & Presentations:** Created and delivered comprehensive presentations for clients, summarizing key data trends, performance insights, and actionable recommendations to optimize drug sales and market positioning.

EDUCATION

2022 - 2023 CONESTOGA COLLEGE, KITCHENER, ONTARIO, CA	Post Graduate Diploma - Web Development (79%)

ACCOMPLISHMENTS

Promotion to SME (IJP) (Internal Movement)

Promoted to Subject Matter Expert (SME) within 9-10 months of joining, demonstrating exceptional performance and deep knowledge of processes. Took on additional responsibilities, mentoring junior agents, providing guidance on complex issues, and ensuring high-quality customer interactions. Leveraged strong problem-solving skills and subject matter expertise to drive team performance, improve service delivery, and contribute to overall departmental success.

OneDoc - CaseNote Automator Project for Techsols (Cognizant)

Led the development and implementation of the Case Note Automator tool for the Technical Solutions Team (GTech), aimed at reducing the time spent on typing case notes. Standardized phone notes by automating the process, Aiming to cutting down the time spent on documentation by 50%-60%.

The aim is to 56-72 minutes saved per agent per day, improving overall productivity and case preparation. Enhanced accuracy of case notes while allowing agents to focus on complex client issues, driving better customer outcomes. [Pitch - Deck - Link](#) , [Project - Link](#)

Campus Ambassador - Gaming Monk

I worked as a campus ambassador for an online gaming startup platform during my bachelor's. I have conducted gaming events on campus to promote the company.
